

This is outrageous! I would not have XM Satellite Radio without the benefit of listening to their traffic and weather channels. XM provides on demand variety and quality that are not available anywhere else. I pay a monthly service fee to XM radio for ALL of their services I was promised when I signed up, it should not be up to the NAB to dictate what I am permitted to hear. IS THIS A CONSPIRACY TO GET ME TO LISTEN TO COMMERICALS?

I respectfully urge the FCC to REJECT the NAB's petition 04-160 and to support XM's ability to provide me wth the kind of programming that I demand and deserve.
